CALGARY, AB, July 16 – Christianne Carin, founder, chairman and chief executive of EarthRenew Organics, Ltd. has been named a finalist in the Ernst & Young (E&Y) “Entrepreneur of the Year” awards program.

Ms. Carin, who founded the privately-held company in 1999, was selected one of four finalists in the clean tech category for the Prairies region. In all, there are nine different business categories.

Now in its 16th year of honoring Canada’s most impressive entrepreneurs from all walks of business, the awards recognize the spirit and contribution of entrepreneurs here and globally.

“This is a tremendous honor not only to me, but the entire team at EarthRenew,” acknowledged Ms. Carin. “We have grown strategically and deliberately over the past decade and this recognizes our entrepreneurial spirit and our drive to succeed.”

The winners in each category for the Prairies region will be announced here on Oct. 15 by E&Y, the global leader in assurance, tax, transaction and advisory services, and the overall Canadian winner on Nov. 24 in Vancouver.
